

“SHAME ON YOU FOR DISHONORING JESUS”: GRISLY GUN CONTROL VIDEO FEATURES GUNSHOT VICTIM CHRISTMAS CARD CAMPAIGN

Nothing quite says “The spirit of Christmas” like invoking Jesus on grisly Christmas cards with graphic pictures of gunshot victims to push an anti-2nd Amendment agenda.

The video, created by Betsy Riot who describes themselves as “a decentralized, neo-suffragist punk-patriot resistance defending America against Trump’s gun culture with rage and wit,” but who Guns.com describes as a “radical anti-gun group,” outlines their campaign of sending the graphic cards to the home addresses of

"768 gunlicking legislators, Congressional f_ckwits and industry death-eaters".

"Shame on you for dishonoring Jesus Christ with your support of gun-pushing legislation," the card reads.

The group disabled the comments on their video so you can't even tell them how touched you are at their effort.
